

FBDCA Guidelines for Supported Entries and Sweepstakes

Any FBDCA member in good standing can request that the club support the French Bulldog entry at an all-breed show. Further, that member can request a French Bulldog Sweepstakes at that show. These two types of events have very different requirements, which are outlined below.

It is important to understand that the AKC is not involved with a supported entry. That is an agreement between the FBDCA and the all-breed club giving the show where the FBDCA would support the French Bulldog entry.

A Sweepstakes event on the other hand, requires several more steps which include a letter of invitation from the hosting all-breed club, an FBDCA approved application for a Sweepstakes event and an AKC Application for Show / Trial submitted to the AKC (with an authorized signature by a FBDCA officer) and approved by the AKC.

SUPPORTED ENTRY REQUIREMENTS

The FBDCA supports the French Bulldog entry at all-breed shows to showcase our breed and to encourage exhibitors to enter.

I. The Requester

- A. Any request must be from an FBDCA member in good standing, either making the request as an individual or on behalf of a **developing** French Bulldog regional club.
- B. A club may apply for one (1) supported entry per year, requesting medallions and financial support of \$100.00.
- C. Individuals with NO local club assistance may apply for one (1) supported entry per year, requesting medallions and financial support of \$200.00.
- D. A club or individual may be approved to hold more than one (1) supported entry, however no financial support or medallions will be available from the FBDCA.
- E. The member requesting the supported entry agrees to serve as a Chair for the event, carrying out any needed duties related to the host all-breed club, trophies, venue, publicity, etc.
- F. The member requesting must agree to keep the FBDCA board advised of plans so that the information may be included in our communications with members.*

II. How to Request A Supported Entry

- A. A request for approval to hold a supported entry at an all-breed show will consist of the following:

1. A completed *Application for FBDCA Supported Entry*
2. An Invitation or letter of agreement from the host all-breed club with a copy of their supported entry program. If a sweepstakes is being requested in addition to the supported entry, the letter of invitation / agreement must include that information.

- B. Consider requesting that the host club provide rosettes for major placements (BOB, BOS, WD, WB), and high scoring French Bulldog in performance/companion events – often already included in the host all-breed club's supported entry program.
- C. Also consider offering:
 - a. A Meet the Breed type table at the Supported Entry
