**Guidelines for the
French Bull Dog Club of America
Top Twenty Invitational Event
Revised January 2013**

PURPOSE

The French Bull Dog Club of America offers a Top Twenty Invitational to showcase excellence in French Bulldogs. This event is part of the FBDCA National Specialty and serves many purposes. It educates judges, exhibitors, breeders and fanciers. The event offers all who attend a chance to view the top dogs in competitive standing for the previous year. Using a scale of points, each dog is evaluated according to how closely it conforms to the breed standard. This procedure is not available at any point show and allows the spectators an opportunity to evaluate the dogs and score them at the same time they are being judged.

The event is educational and promotes discussion of the standard and provides spectators with an opportunity to see how individual views can produce a consensus decision, which can then be compared to their own impressions. This event provides special recognition to those French Bulldogs with the most outstanding records as well as their breeders, handlers and owners. The Top Twenty Invitational provides an incentive to strive for French Bulldogs excelling in structure, movement, temperament, and conformation.

THE TOP TWENTY COMMITTEE

The Top Twenty (TT) committee is made up of FBDCA members approved by the FBDCA board. It is under the umbrella of the National Specialty Oversight Committee (NSOC) so that fund raising efforts for national specialty show events can be monitored and coordinated. The TT committee works with NSOC so that timetables (TT event night, ribbon ordering, trophies, etc.) and the physical venue (room, food and drink, etc.) maximize both the event and the show. Outside of this coordination function, the TT committee reports directly to the FBDCA board, particularly in the selection of the Mystery Judge (see below).

Committee tasks include, but are not limited to the following:

- a. fund raising
- b. thank you cards mailed to donors
- c. invitations mailed to all those eligible to compete in the event
- d. trophies ordered
- e. ribbons and attendance awards ordered
- f. food planned and ordered through hotel catering service

- g. arrangements made for rental of equipment such as a spotlight and red carpeting
- h. catalog completed and send to printer
- i. bios sent to the event emcee
- j. arm bands printed
- k. people organized to ready the ring and trophy table, decorate, and clean up
- l. selection of the judges for the event, contracts signed and procedural briefings forwarded to them. Secrecy of the judges is a prerogative of the committee.

THE TOP TWENTY EVENING

The first FBDCA Top Twenty Event was at the National Specialty Show in 2004. From the beginning there has been no charge to the membership to attend the event. Also, there has been no charge for either catalogs or food. However, a cash bar is usually available. The TT Committee and the FBDCA Board agree that this is an occasion for the membership and should continue to be free. Therefore, for this event to flourish, it is necessary to raise funds through individual and corporate donations.

The TOP TWENTY EVENT (TT EVENT) is a formal evening prior to Breed judging at the National Specialty. This sequential timing is important as knowledge of the results of the National Specialty competition could influence the outcome of the Top Twenty judging.

RULES FOR SELECTING THE TOP TWENTY

Selecting the Dogs

During the preceding full calendar year, points are awarded equal to the number of dogs (the term dog is used to refer to either dogs or bitches with no preference given) defeated by winning Best of Breed at an AKC sanctioned All-Breed or Specialty show. These points are tallied and a list of the Top Twenty French Bulldogs for the preceding calendar year is developed, comprising the 20 highest point winners. The same process is used to develop a second list that includes the French Bulldogs who constitute the top ten highest point winners of the first five or six months of the current year. In order to increase participation the top twenty dogs of the current year may be included.

Specifically, selection of the (30 possible) French Bulldogs eligible for the Top Twenty Invitational is based on the following: One point for each dog defeated by going Best of Breed or at any AKC All Breed Show or any Independent Specialty Show where AKC points are awarded. Tabulation of points is based on Breed point wins as published in the AKC Awards publication for the period beginning January 1st and ending December 31st and for the period of January 1st through May 31 or June 30th of

the current year. It depends on time frame of specialty and feasibility of producing a catalog in a timely fashion.

Spayed bitches or neutered dogs that have been named among the Top Twenty French Bulldogs may compete in the event.

All dogs, including the previous winners, that are eligible to compete may do so. However, it is most gracious of the owner of the previous winner to exhibit and showcase his/her dog without competing. The "exhibition only" entry will receive a rosette/ribbon and attendance award. The entry fee will apply.

In the event an eligible dog dies during the year, the owner may elect to enter the dog. There will be an entry fee and the rosette/ribbon given to the owner. This will be a one time entry and although eligible the following year it may not be repeated.

Inviting Dogs and Owners

Theoretically 30 or more dogs may be invited to the Top Twenty. Usually, however, there are a number of dogs on both lists. Any eligible dog will receive only one invitation. The owner of a Top Twenty dog, based on the final standings, will be sent an invitation to participate. The invitation will be addressed to the dog and to owner listed first on the dog's registration.

A response card will be supplied with the invitation and the owner must respond and pay the entry fee by the date indicated. Entry fees will be determined by the Top Twenty Committee. The deadline for entries will be strictly observed. The committee will determine that correct addresses are used and follow up to make sure they were received. It is the responsibility of the owner to enter by the deadline.

Owner/Co-owner Requirements

☒ All owners and co-owners of the finalists must be in good standing with the AKC and the FBDCA, if a member of FBDCA, at the time the invitations are extended and at the time of the event. Dogs owned or co-owned by the Top Twenty Chairperson or members of his/her family may show at this event. Committee members or the Chairperson who have qualifying dogs may not nominate or vote on any of the 3 judges.

☒ All participants agree to abide by any and all rules as they may become effective through adoption by the Top Twenty Committee or the National Specialty Oversight Committee as they concern the finalists' participation in the event. Failure to do so may revoke the privilege of future participation, regardless of eligibility.

☒ A finalist will only be allowed to compete if the owner or agent attends the briefing held at least one half hour prior to the event for the purpose of assigning armband numbers and explanation of procedures.

Other Considerations

☒ Each dog that competes in the Top Twenty Invitational will receive a rosette, WITH the entrant's name, the date and place of the event and the

name FBDCA Top Twenty Invitational imprinted. The FBDCA Logo will be imprinted on the rosette button. The rosette may be any color other than that of Best of Breed, Best of Opposite Sex or Winners Dog/Bitch.

☒ If the entry is ever below ten in number, the committee will review the advisability of canceling the event.

☒ NO refunds WILL BE given on entry fees unless the TT Event is canceled.

TOP TWENTY JUDGES

A panel of three (3) judges will conduct the judging of the event. Each judge will represent a different category as follows:

1. FRENCH BULLDOG BREEDER

A French Bulldog breeder who has been breeding for a minimum of five (5) years and has produced at least five (5) conformation champions as published in the AKC Awards. Breeder judges must be FBDCA members in good standing. FBDCA members of the same household may be placed on the ballot, but there shall be only one breeder judge from the same household for this event. The first name selected from the member household shall result in the disqualification of other members from the same household who may be on the ballot. Breeders who own or co-own or who have campaigned or handled a French Bulldog special who is currently in the Top Twenty or who has first generation offspring (dog or bitch) in the Top Twenty within the past year are not eligible to accept this assignment.

This judge is selected by vote of the FBDCA membership. Also, on each ballot members may nominate breeders who fulfill the requirements specified above and the breeder with the most votes is added to the ballot list the following year.

2. MYSTERY JUDGE

A Mystery Judge will be chosen by the membership using the following procedure: nominations will be made to the chair of the National Specialty Oversight Committee (NSOC), all nominations will then be placed on the TT Judges Ballot, finally the three receiving the highest number of votes will then be given to the FBDCA board for approval and final selection. The identity of this judge will be kept secret until the night of the TT event. If the FBDCA board finds that the top three are for good reason unable or inappropriate, the board will select from the three who receive the next highest numbers of votes. This process will continue until a suitable judge is selected from the vote of the membership. If there is a tie between two people, the board will decide on a procedure to break the tie. The board then has the option to use the individual who was not chosen in the tie-breaker for next year's Mystery Judge. There would not be a need for a membership vote for the following year.

This judge may be someone who is knowledgeable about French Bulldogs, someone from another country, a handler or one qualified to judge French Bulldogs by AKC.

3. MULTI-BREED JUDGE

Multi-breed judge: An AKC approved judge for French Bulldogs and at least three (3) other breeds.

This judge is selected by vote of the FBDCA membership from a list composed by the TT Committee and the NSOC. The list of eligible judges will be composed of those within the geographical location so as to minimize travel expenses. If there is a scarcity of approved judges in the region, a judge may be selected by the committee and/or NSOC.

If a judge wishes to waive the usual fee as a contribution to this prestigious event, that generosity will be greatly appreciated.

NOTE: Once a judge has judged the Top Twenty, five years must pass before being that person may be considered again to judge the event.

For their participation in the TT Event, judges will receive one night's free lodging and a banquet ticket (or a pair of tickets). A commemorative gift may be given at the discretion of the TT Committee.

There will be printed instructions for the judges and for the participants. There will be a briefing 30 minutes before the event for both the judges and participants in separate rooms. The Committee Chairperson will select a Steward for each of the judges. These names will remain confidential until the day of the event. A steward should not discuss the scores that the judge gives any of the dogs with the owner or anyone else.

JUDGING PROCEDURE

While in the ring, judges will limit their conversation to discussing procedure with their stewards.

☐ Each dog will be scored by each judge individually, using a Scale of Points based on the AKC Standard.

☐ Each entrant shall be evaluated individually in his/her relationship to the breed standard using a scale of points as stated in the event catalog. The judge's book will contain a score sheet for each individual entrant. Points may be scored in whole or half points.

☐ The actual judging is as follows (this section taken from Procedure for the Evening):

1. The first dog (of the first group of three), as determined by the Draw Order, will enter the ring, move half way around the ring, then pose. After the pose, the dog will complete the circle. The judges will then mark their Initial Impressions. The dog will then be placed on a judging table. This procedure will be followed for the next two dogs, always maintaining Draw Order.

2. When the first three dogs are tabled they will then be examined and scored completely by the three judges, each judge touching and examining each dog as he/she sees fit. Judges may ask their Steward to hold their score sheet while they physically examine each dog. The dogs will then be lifted from the tables, circle the ring, and exit. Steps 1 and 2 will be repeated until all dogs have been scored.

☐ The winner will be determined on the basis of the highest average score. The scores of each dog (omitting the Initial Impression score), from each of the three judges, are tabulated, added together, then divided by three (3) to determine the dog's average score.

NOTE: The Initial Impression score is not part of this tabulation. It is used to break a tie as described in the next paragraph.

☐ In the event of a tie, it shall be broken by using the "Initial Impression" (on a scale of 1-10) marked by each judge as the determining factor. The Initial Impression score shall be given by the judge before judging any of the scoring categories for each individual dog. This initial impression score means that the dog is taken as a whole and placed on the scale of 1 to 10, with 10 meaning the dog is in perfect harmony with the judge's picture of the ideal French Bulldog. The Initial Impression score is not considered part of the dog's total score. If there is still a tied score the three judges will confer and break the tie.

- The final tabulated score sheet will be given to the chair of the committee. It will not be posted or distributed

RATIONALE FOR JUDGING PROCEDURE

Whenever a judge examines an individual dog and compares him, mentally, to the judge's picture of the ideal, the judge is going through the work of judging by scoring. The scoring system adds the assigning of numerical values to the main factors of the judging, and it demands that the judge indicate where he/she penalizes for less than ideal characteristics. A judge must go on the record when scoring. Further, a judge must go on the record part-by-part and indicate the degree of deviation of each part from the ideal. The Initial Impression score must be done before actually judging the dog. In other words, for Initial Impression scoring, a dog must be viewed as a whole and placed on the scale of 1-10 with 10 meaning that the dog is in perfect harmony with the judge's picture of the ideal French Bulldog.

It must be noted that scoring is much more time consuming than the comparison judging we are accustomed to in the show ring, where dogs are judged at 25 or more dogs an hour. A judge scoring dogs can do no more than 6-10 dogs an hour. However, when scoring is complete, there is a written critique of each dog as seen by each judge.

Scoring has another virtue. It is a strong discipline for a judge. Sometimes, A fault can seem to stand out and a judge can become sensitized to one difficulty or even one virtue. Scoring checks this to a marked degree. It reduces the idiosyncrasies of an individual judge.

PROCEDURE FOR THE EVENING

Each dog will be issued an armband number that will correspond with the even page number of that entrant in the Event catalog. A drawing, defined as the Draw Order, will be conducted prior to the start of the Event to determine the order in which the dogs enter the ring. The ring will be set up with three (3) judging stations. The stations will include a table covered with cloth and a stable, non-slip surface for the dogs. A separate trophy table will be set up.

There will be a PA system with a moderator. The moderator shall announce the dog in the ring as being the entrant on page number ___ in the catalog. S/he shall instruct the handler as to where to position and gait his/her dog.

At the commencement of the event, all the entrants shall be brought in together for two complete revolutions around the ring as an initial introduction and welcome from spectators and judges and then proceed to the holding area outside the ring. After this initial introduction, the entrants will be judged in groups of three according to the following procedure:

1. The first dog (of the first group of three), as determined by the Draw Order, will enter the ring, move half way around the ring, then pose. After the pose, the dog will complete the circle. The judges will then mark their Initial Impressions. The dog will then be placed on a judging table. This procedure will be followed for the next two dogs, always maintaining Draw Order.
2. When the first three dogs are tabled they will then be examined and scored completely by the three judges, each judge touching and examining each dog as he/she sees fit. Judges may ask their Steward to hold their score sheet while they physically examine each dog. The dogs will then be lifted from the tables, circle the ring, and exit. Steps 1 and 2 will be repeated until all dogs have been scored.

3. When all entrants have been evaluated, all dogs will be called back into the ring one at a time and identified by name, owner, and breeder and will receive their rosettes.
4. When a judge has completed his/her scoring of an entrant, he/she may choose to sign the score sheet and immediately turn the score sheet over to the ring steward. No score sheets shall be tabulated by the judges or stewards. The TT Committee will choose 3 people to tabulate the results. The Committee Chair may designate a Committee Member to oversee tabulation of scores. This will take place immediately after the judging and the Committee Member will ensure that scores are added and averaged correctly. The dog with the highest score will be declared the winner. In the event of a tie, the tie breaking steps in the Judging Procedure section will be followed. The Committee Chairman or designated Committee Member announces the winner at the conclusion of the tabulation.
5. The Committee Chairman or designated Committee Member will present the winner with a Winner's Ribbon. That person will then present the Best of Opposites ribbon to that winner. Following this, the People's Choice ribbon will be awarded to the winner. All three winners will also be presented with trophies exclusively chosen for this event.
6. The final tabulated score sheet will be given to the chair of the committee. It will not be posted or distributed.

THE TOP TWENTY CATALOG

Catalog Requirements:

All material must be received by deadline given in invitation

Owner must supply a photo of the dog that is 5 x7 or 8 x 10 – if photo is emailed it must be a minimum of 300 dpi.

Bios are limited to the show career of the dog or its special relationship to the owner. Bios may not contain negative material or political material. The committee has complete editing authority. The length of bios may not exceed 250 words.

Owner must supply a pedigree on a standardized form that can be downloaded from the FBDCA website. This will create a pleasing presentation in the catalog.

Catalog Content:

A catalog will be printed for this event. The catalog must include, but is not limited to the following:

- The cover shall consist of the Top Twenty logo, the words TOP TWENTY INVITATIONAL, the event date and city where the event is to be held.
- A list of the final Top Twenty dogs in descending order by their AKC rankings.
- A one page spread for each entrant in the final Top Twenty standings who has paid the required entry fee. There will be no further charge to entrants for this page.
- The page shall have the name of the entrant, a brief story, owner(s), breeder(s), handler, and the dog's bio furnished by the owner (odd-numbered page).
- The page also shall have a full body photo of the entrant and a three (3) generation pedigree, including the dog's date of birth.
- Judging Procedures and score sheets
- A profile of each judge.
- A page listing the previous winners, the judges, and the year in which they won.
- A ballot for the People's Choice Award

PEOPLE'S CHOICE AWARD

The audience may vote for the French Bulldog they think best represents the standard. This is called the People's Choice Award.

There will be a tear-out ballot sheet in each catalog. Audience members must sign in to receive a catalog. Only one catalog per person will be issued. The ballots for the People's Choice Award will be collected at the end of the judging. These ballots will be tabulated along with the judges' scores and the People's Choice Award will be announced after the announcement and award to the TT winner.

In the Top Twenty Event of 2011 catalogs were sold. Cards were handed out as a ballot for the People's Choice. Various methods of handling the ballot are being explored.
