FBDCA EWALD AWARD FOR OUTSTANDING LIFETIME ACHIEVEMENT IN BARN HUNT

Barn Hunt began fairly recently as a dog sport, the first official competitions held in 2013. In this event dogs use their sense of smell to find rats hidden in a hay maze structure, and then indicate their location to their handler. With the roots of the French Bulldog breed in ratting, this has been a sport than many from the breed have found themselves very much inclined, with upwards of 100 titles having been awarded to date. As naturally as French Bulldogs have taken to barn hunt – with many having participated successfully at the lower levels - just a select few have had success at the Masters' level (the highest of 4 levels of difficulty). In that top level a dog has to find an unknown number of rats (up to 5) and indicate the course is “clear” in under 4 and a half minutes. This must be repeated 10 times to earn a championship title, a feat that is not easy to do with any breed, even a terrier.

There is one French Bulldog who has demonstrated a phenomenal instinct for this sport and earned far more titles in Barn Hunt than any other from the breed. Upon writing, he has achieved RATCHX4, having earned 5 Championship level titles; an admirable accomplishment for any breed, but truly exceptional for one from the non-sporting group. Both his drive and precision in the ring are remarkable, rarely giving his handler anything than a perfect run. They are amazing to watch work together as a team, and always draw a crowd and many cheers ringside.

In honor of this dog, Ewald, Sullybee Chambord's My Heart's Been Stung CAA BCAT RATCHX4 CGC), and his handler, FBDCA member Rick Paine, we have created the Ewald Award for Lifetime Achievement in Barn Hunt. Ewald is owned by members Richard and Kathleen Payne.

None awarded in 2020 or 2021.
