

FBDCA Versatility Award Criteria (FBDCA VOM)

Worksheet & Application

The purpose of the FBDCA Versatility Award is to recognize French Bulldogs who demonstrate soundness, trainability and athleticism. Adherence to the breed standard is encouraged (see "Conformation" category). These are ambassadors for the breed, showing aptitude for skills, which although not traditional for French Bulldogs and are deserving of commendation by the club.

Only AKC-recognized titles are considered for the VOM, distributed across seven categories (detailed below, I-VII). The selected criteria come from competitive/judged events (versus certifications under an evaluator in a private environment*). The exception to this is the Therapy Dog category, as the club believes this job to be a realistic and important duty for which French Bulldogs should be inclined to as companion animals.

Dogs/Bitches owned or co-owned by a member or members of the FBDCA in good standing are eligible for the awards. The VOM may be awarded posthumously if criteria are met.

Versatility Bronze (VOM-B): 5 titles required from at least 3 categories

Versatility Silver (VOM-S): 10 titles required from at least 4 categories

Versatility Gold (VOM-G): 15 titles required from at least 4 categories

One title must be at an upper level (designated in red in the listings)

Versatility Platinum (VOM-P): 20 titles required from at least 5 categories.

At least 2 titles from different categories must be at an upper level (red).
